GEPF roadshow to visit Giyani

Pretoria - The Government Employees Pension Fund (GEPF), through its national outreach campaign, will visit Giyani in the Limpopo province. The event will be held on Saturday, 19 November 2016 at Harvest Time Church, Giyani.

The main purpose for this initiative is to interact with GEPF's active members, pensioners and beneficiaries in order to inform and educate them about the Fund's services, processes and benefits.

GEPF has over 9 590 active members (currently employed in government departments) and more than 4 750 pensioners and beneficiaries in Giyani and the surrounding areas. We are confident that these members will attend the event and discuss their pension related issues with GEPF.

Members of the media are invited to attend.
